Presidents Report September 2011

Hi Members; We have now had our elections for the new year ahead. A couple of changes have been made i.e. President & Newsletter Editor. Considering our membership numbers it was a poor turn up for the A.G.M. I will be organising our new car show committee in the near future & would appreciate assistance from new & old members. There are still a lot of events to attend this year but not many takers. Our annual toy run for Camp Quality is coming up on 23rd October. On this run we pick up toys & donate them at the end of day. All clubs are welcome. Cars & bikes.

Pres. Bob.
