Butterworth, Chris Bryant ,Eric Lucke, Garth Stubbins , Lyle Whitley, Peter Vallance, and Nev Steemson
hasn't nominated yet

Meeting closed 10.15 am

ROAD RUNNER REPORT THE DAY WE WENT TO BIGGENDEN OH BOY.

It started out quite normal only there was a lot of clouds about and quite windy, so we met at Brothers club and set off for Biggenden on arrival we could feel the wind getting up and the temperature dropping. no sooner had we unloaded the cars and started to set up the gazebo it started to rain and i mean RAIN, so we all had to hold down the gazebo or it was going to take off MARY POPPINS style some of the stalls already lost there tents. Adam commented we were expecting some rain BUT NOT A CYCLONE however we hung on most of us were wet through as the rain was pouring in the sides of the tent someone forgot the covers????? however the wimps among us packed up and went home (i wont mention there manes ADAM CHRIS WAZZA) OOPS THAT WAS A MISPRINT!!!!!! so the rest of us hardy folks stayed and it fined up but later the fire brigade had their radar on and they said there was a hail storm coming so presentations were hurried through and we bolted out the gate and headed for home HA! HA! we beat the storm all the way home safe and sound with a few trophies in tow congrats to the winners Rick, Bob R, and the best club again 14 cars that was a record keep up the good work.

COOROY CAR SHOW

5.30 AM Start and we were off again on the road to Cooroy a fine day ahead what a change most of the run down was incident free cars going well and all together Garth and Helen were a bit late off the mark(his good car wouldnt start he had to use the stand by car) but caught up at the rear. The sop over at Kurra was welcome with coffee and something to eat, Lyle & Eric went together in Erics Car 6 cars all told, after smoko we were on the road again but running a bit late so shirl rang Darryl at Cooroy and he said dont worry we have a spot for you . on arrival we unloaded all the cars and set about with the cleaning cloth and put the sparkle back in the cars Bev & Darrel took 2 cars Bev in her Mustang Bob in his Folden Helen & Garth in the lilac Commodore we were a sight to see, Eric in the green flyer and Darrel in the white ghost and Peter in the beaut ute.. So we settled in for the day and it was a beautiful fine day presentations came around a bit late, but we stayed to the end with winners Bev Darrell Peter and the best club attendance again .congrats everyone anyway we didnt get home till 8.45 pm a long day but worth it hope to see some new faces next year join the run down to Cooroy.
shirl

PRESIDENTS REPORT NOVEMBER 2011

Well members most of what i was going to say has been said by this pesty road runner however on a serious note we are coming closer to the end of the year and a lot has been done this year and still a lot to go with the toy run and 1770 run and xmas just around the corner . I would like to see more participation from members in these runs and car shows.

In case you dont know your By-Laws, number one states that if you have one or more cars on concessional registration at least one of these vehicles is to be driven to at least three club meetings or outings per year so i will be keeping an eye on this, this year.

Its pretty poor when we have 52 cars in the club and we only see 5 or 6 of them taking part in club runs or car shows so lets see your cars !!!!!!!!!!!

Our car show committee is underway for May 2012 we are also looking for new ideas from members so have your say.

dont forget general business is for you to put forward any ideas or suggestions

President Bob
